

Catholic United Financial offers an amazing matching grant fraternal program. The purpose of this program is to raise money for parish religious education, youth groups or schools and to increase awareness of Catholic United.

There is a \$1000 maximum matching amount per calendar year per council/team.

St. Bernards was very happy to host two matching grant events this summer.

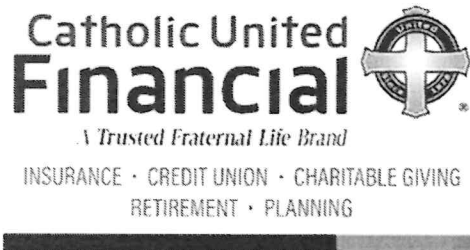

We are truly grateful to all individuals / families who donated the delicious breads, snacks, cookies and bars to our bake sale. Because of your generosity we realized a profit of \$1,052.50

Thanks also to the youth and parents who organized the ice cream sundae stand; this profit was \$1,375.25

Given the extreme heat on Sunday, these profits are fabulous!

The profit from the ice cream stand plus the earned matching grant will be donated to St. Bernard / Ascension Faith Formation.

We have to thank many people for their support – our bakers, set-up and take down and cashier volunteers, and the many friends who stopped to shop and visit.
